

Instructions for the Advent 25 course

The **Advent 25 – Slovak Lace** course is part of Block III. **Regional Lace and Specialised Courses**. Individual patterns are included in Blocks I and II.

The Bobbin Lace School course will be published in blocks and levels gradually between 2025 and 2026. Information will be available on the website eshop.slovenskecipky.eu and on Instagram and Facebook. The blocks and levels build on each other, gradually progressing from easiest to most difficult tasks. The individual levels will be released at intervals.

The Smart book in PDF format consists of double-sided A4 sheets that are suitable for a binder with 12 parts. Print the textbook sections double-sided.

Parts 1–12. The Smartbook is divided into 12 parts, which you can organise using dividers. Advent 25 has chapters belonging to parts 1, 2, and 12.

Each page has a QR code in the sidebar (usually at the top in a green box). Point the camera app  on your smartphone or tablet at this code and set the time (green numbers) on the video to be taken directly to the relevant section. If you are opening the files on a PC, take a picture of the QR code and open the video using a free program (e.g. <https://qrscanner.net/>). The videos are in private mode and set to your email address, which you provided when registering at eshop.slovenskecipky.eu. To access YouTube, you must enter an email address ending in "@gmail.com". If you used a different email address to register with eshop.slovenskecipky.eu, please provide a Gmail address in the comments section when placing your order. This email address cannot be changed for 24 months.

Lessons. Lessons are sent in order. Each video represents a separate lesson or several lessons. It is organized according to the steps you need to follow in your work. Between sequences, there are links to the textbook section with the text. The texts are in Slovak and English. You can also translate them into other languages using the QR links to the website. Explanations and symbols are in Slovak, Czech, Polish (QR code), Hungarian, German, Italian, Spanish, English and French. If you are interested in a license for a club or institution (i.e., access for multiple people at a discounted price), please contact us at eshop.slovenskecipky@gmail.com.

Structure and explanations of the smartbook page layout:

. Bobbin lace tools *Chapter title (A, B, etc.)*

BOBBINS - *subchapter title*

Text:

Bobbin lace-making gets its name from the small wooden sticks used in the process. A bobbin is a spool with thread wound around one end (the top) and held by the other end (the bottom).
